# Product Specification Sheet

## Targus 16 inch / 40.6cm A7™ Backpack

### Part #: TSB167EU

## Product Description:

The Targus A7™ 16" (40.6cm) Backpack is designed for the adventure seeker, providing a comfortable and protective way to carry a laptop and other personal items.

The backpack is designed with lightweight materials and features ergonomic air-mesh padded shoulder straps, a compression chest belt and a padded grab-handle for extra comfort.

The Tri Cell Cushion system is positioned on the exterior of the laptop pocket, which protects the laptop as well as providing lumbar cushioning.

The backpack features a water-resistant tarpaulin base, Ripstop™ lining fabric, multiple pockets and hard-wearing tactile zipper pulls.

Tri-Cell Cushion System™
1. Quilted, air ventilating fabric
2. Shock-absorbing foam
3. Soft and durable neoprene
